How the PTC Works

Understanding the PTCPros platform features

Free Plan

The free plan allows users to view five ads each day. Each ad is 15 seconds, enabling them to start earning immediately without any initial investment, making it accessible for all.

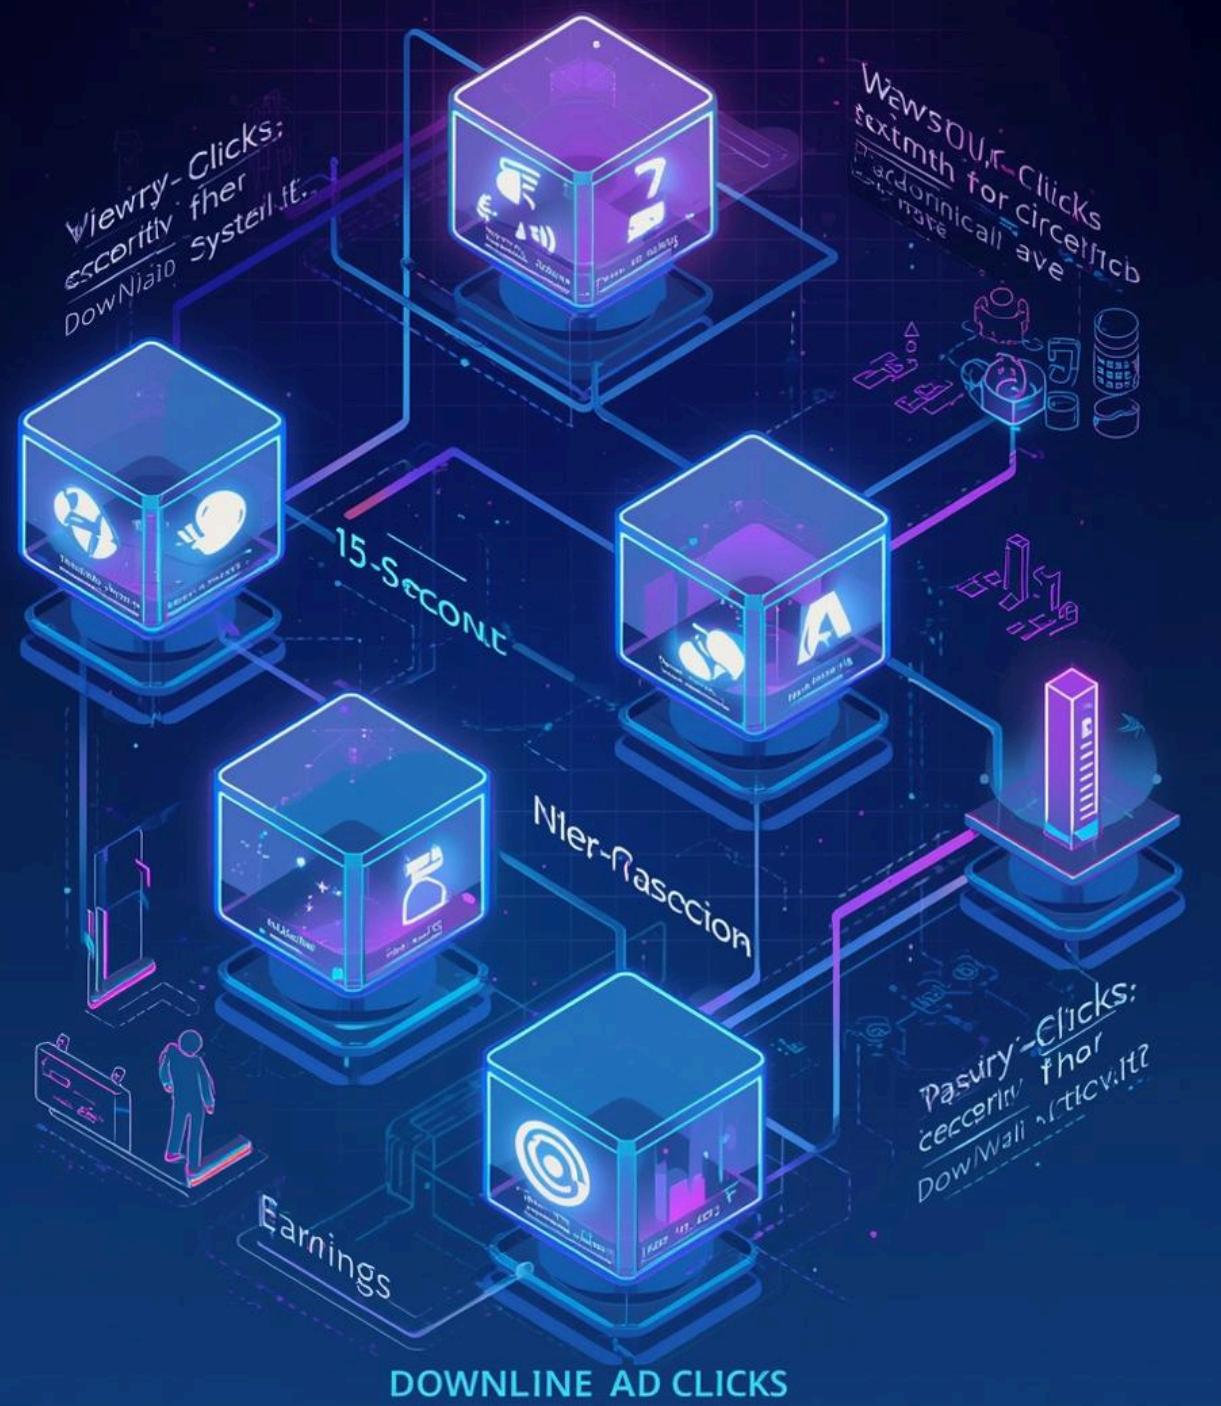

Pro Plan

The Pro plan enhances earning potential by allowing users to view ten ads each day. Each ad is 10 seconds, maximizing their income opportunities and providing a seamless experience on the platform.

Earning Potential

Users can earn from their own clicks and additionally benefit from downline activity, significantly increasing their earnings, especially with the innovative multi-level referral system.

How the System Works

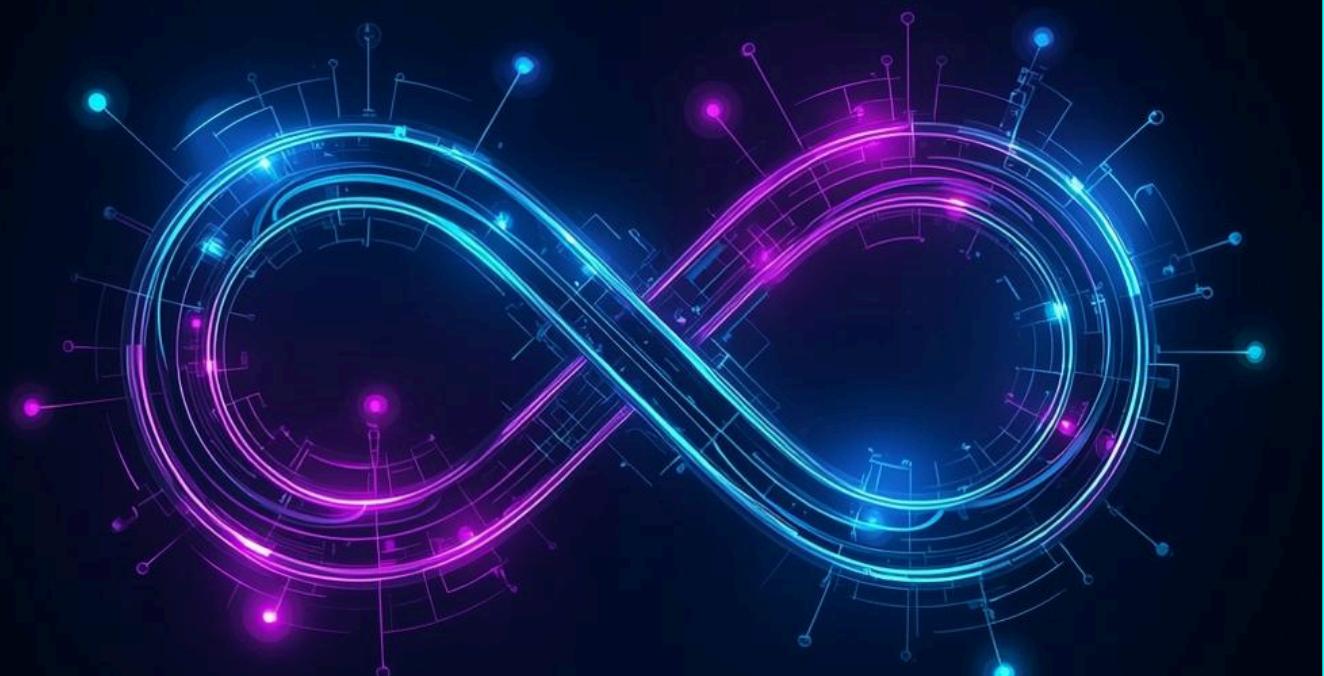

Simple steps to earn effortlessly
Users can earn by viewing ads each day. Additionally, users can earn from their referrals down 5 levels for free members and 8 levels for PRO members.

Each time you receive two members under one of your positions in your 2x25 matrix, you will instantly receive a new position in the 2x25 under your original position plus another 500 PTC credits to increase the exposure to your ads. All purchases pay a \$0.50 Direct Referral Purchasing bonus.

Why PTCPros Endures

PTCPros is designed for **long-term success** through a balanced ad supply system, strong incentives for advertisers, and an affordable PIF structure.

This smart matrix strategy ensures ongoing growth and sustainable earnings for all members.
